Rebel Band*

Hand Book
2021-2022

Introduction

Rebel Band Student,

I am pleased that you have chosen to become a part of the Rebel Band. Your decision has made you a part of one of the most successful and prestigious organizations at Ore City High School.

Your success in band and the ultimate success of the organization are in direct proportion to the amount of pride, desire, and effort you put into the rehearsals and performances of the band. If the band is going to remain successful, every individual must be committed to working toward common goals and must have the best interest of the group at heart.

Many, many students have gone before you to establish the tradition of excellence associated with the Rebel Band, and we owe it to those people to do everything in our power to uphold those standards of performance and perpetuate the Rebel Band's image as being a first class organization.

Sincerely,

Anthony Anderson

Director of Bands

Ore City I.S.D

Philosophy

Ore City Rebel Band

The Ore City Band is trained in the traditions of the American military bands, with particular emphasis on superior musical performance. This philosophy is based on educational values rather than entertainment standards.

Band does more than teach a student how to play an instrument. Built within the program a student receives a variety of outstanding qualities such as responsibility, dedication, loyalty, group effort, a sense of duty, honesty and dependability. Also promptness, enthusiasm, initiative, and pride in a job well done.

System of Grading

The band grade is determined by general attitude, attendance in performances, participation, and periodic individual auditions/play-offs.

All performances and rehearsals are mandatory for a grade.

I. Purchases:

II. Expectations

- A. Attend every rehearsal, sectional and performance. If you have conflicts let me know as soon as possible and I will do everything possible to work out a solution. **Work is not an excused absence.** Make sure that your employer does not schedule you to work at the same time as rehearsals or performances. Employers must understand that schoolwork comes first.
- B. Arrive on time. This means be in your place ready to march and play. Not just walking in the door or still putting your instrument together etc. it means ready to go. **Band time is 10 minutes early!**
- C. Maintain a positive attitude.

 - c. **Inspection**- will take place before EVERY football game and contest, before we march into the stands. Inspectors will be looking for: black socks, black band shoes (cleaned), correct trouser length, neatly pressed uniform, no missing buttons, and clean hat.
- C. Students are responsible for all uniform parts issued to them. All uniform parts must be returned at the end of the school year, or the student will be charged the replacement cost. Uniforms must be left in the uniform room after every performance.
- D. On the first few games, I will allow you to take the jacket off in stands and lay it beside you. **Do not** wear caps, tennis shoes or anything else that **is not** part of the uniform. The uniform should be treated with respect, you should be proud of having the honor to wear this uniform. *Girls may wear small stud earrings while in uniform. - B. If any equipment is lost or broken students are required to replace them in a timely manner

V. Practices:

A. Attendance at all practices is mandatory to maintain membership in the band.

Conflicts with other activities will be worked out in advance. It is your responsibility to let me know what activities conflict **in advance** so I can help find a solution.

- B. **Tardiness** could cause the loss of marching spots and/or dragging the field and/or loss of third quarter break.

- C. **Heat Conditions-** it will be very hot in August, September, and possibly October. If your child has medical problems, i.e. asthma etc., please let me know. If a student can't handle the heat they may become an alternate. This is not a punishment; it is a precaution to protect their health. There will be water at every night rehearsal. They may bring their own bottle of water 1st period. There are several other things you and your child can do; Eat good food. French fries and a coke for lunch will not get you through an afternoon in the sun. Drink lots of water during the day.

VI. Section Rehearsals:

- A. May be called by section leaders with director approval. Advance notices are required.
- B. The director will call sectionals as needed. Every effort will be made to make the sectionals as convenient as possible for all involved and you will be given plenty of notice to work out conflicts.

VII. Pep Rallies:

- C. Conduct in stands
- A. Students must stay in their section at all times and be alert so they will know when it is time to play. Use the restroom before the game.
- B. Football games should be fun. I encourage you to support the team, but don't make a fool of yourself.
- C. No food, drinks, gum or candy is allowed in the stands at any time. We will provide water. If a senior leader or drum major catches you with food, gum, drinks or candy you will lose 3rd quarter break. If you are caught during the 4th quarter you will lose your break the following week.
- D. **No visitors in the stands** unless approval of band director.
- E. 3rd quarter is a **privilege not a right**. If at the conclusion of a performance I believe you were focused and gave your best effort, you will have **earned** 3rd quarter. I am the only person with the training, experience and knowledge to make that decision. If you abuse the privilege by not getting back in time 4th quarter, you will lose the privilege the next week. Eat before the game just in case.

IX. Out of Town Games

If their attitude, effort, and attendance are good they will march at every opportunity. Usually by their freshmen year students have matured and no longer experience marching difficulties. Try not to let them get discouraged. Keep in mind that there is no JV marching band like there is in football. All of these students are on the Varsity Team.

XIII. Loading Crew:

- A. I will choose two captains and then we will choose the other eight members. (Loading Crew will be given some privileges. First on and off the bus and first in line at restaurants.)
