

Online Student Registration

We wanted to let you know about a big change coming to Ore City for the 2018/2019 school year. We are excited about our new *On-Line Registration for Returning Students*. Our parent(s) will need to log in on their Skyward account and go through the Online Registration for Returning Students. We are replacing all the paperwork sent home at the beginning of each school year with a more efficient and effective way of registering your student(s) before the beginning of the year. The only requirement is that your student(s) ended the school year with us and is returning to Ore City in the 2018/2019 school year. The Online Registration for Returning Students will be open until Friday, August 17th, 2018. All students will be required to register on-line if returning to Ore City.

If you are unable to register at home, we will have our HS/MS library open from Monday, August 13th through Thursday, August 16th from 3:00 to 7:00 pm each evening to assist you with this process. Our Elementary library will be open on Tuesday, August 14th through Thursday, August 16th from 3:00-7:00, as well. During this time, we will have district staff present who can assist you if you have questions or problems.

All students who are new to the district, will still be required to come to the school (elementary, middle school or high school) to register with the required documents (birth certificate, social security card, shot record, proof of residence, and parent photo ID).
