Definition of Disability

"Disability" means:

1. An actual disability: a physical or mental impairment [see definition, below] that substantially limits one or more of an individual's major life activities;

2. A record of having such an impairment; or

3. Being regarded as having such an impairment.

An impairment that substantially limits one major life activity need not limit other major life activities in order to be considered a disability. An impairment that is episodic or in remission is a disability if it would substantially limit a major life activity when active.

"Regarded as" Having an Impairment

An individual meets the requirement of being "regarded as" having an impairment if the individual establishes that he or she has been subjected to an action prohibited by the ADA because of an actual or perceived physical or mental impairment whether or not the impairment limits or is perceived to limit a major life activity.

Transitory and Minor

The "regarded as" prong of the definition does not apply to impairments that are transitory or minor. A transitory impairment is one with an actual or expected duration of six months or less. The "transitory" exception does not apply to the "actual disability" or "record of disability" prongs of the definition.

Mitigating Measures

The determination of whether an impairment substantially limits a major life activity shall be made without regard to the ameliorative effects of mitigating measures, such as medication, medical supplies, low-vision devices, prosthetics, hearing aids, mobility devices, oxygen therapy, assistive technology, or learned behavioral or adaptive neurological modifications.

The ameliorative effects of ordinary eyeglasses or contact lenses shall be considered in determining whether an impairment substantially limits a major life activity. Ordinary eyeglasses and contact lenses are lenses that are intended to fully correct visual acuity or to eliminate refractive error.

42 U.S.C. 12102(1), (3), (4); 29 C.F.R. 1630.2(g), (j)(1); Labor Code 21.002, .0021

42 U.S.C. 12111(8); 29 C.F.R. 1630.2(m)

Reasonable Accommodations

A district is required, absent undue hardship, to make a reasonable accommodation to an otherwise qualified individual who meets the definition of disability under the "actual disability" or "record of disability" prongs. A district is not required to provide a reasonable accommodation to an individual who meets the definition of disability solely under the "regarded as" prong. *42 U.S.C. 12112(b)(5); 29 C.F.R. 1630.2(o)(4), .9; 29 U.S.C. 794; 34 C.F.R. 104.11; Labor Code 21.128* [See DBB regarding medical examinations and inquiries under the Americans with Disabilities Act]

New hire reports shall be considered timely if postmarked by the due date or, if filed electronically, upon receipt by the agency.

Penalties

A district that knowingly violates the new hire provisions may be liable for a civil penalty, as set forth at Family Code 234.105.

1. 75 percent must be used to increase the compensation paid to classroom teachers, full-time librarians, full-time school counselors certified under Education Code Chapter 21, Subchapter B and full-time school nurses, prioritizing differentiated compensation for classroom teachers with more than five years of experience; and
2. 25 percent may be used as determined by the district to increase compensation paid to full-time district employees.

"Compensation" includes benefits such as insurance premiums.

Education Code 48.051(c), (d)

"New member" means a person first employed on or after September 1, 2005, including a former member who withdrew retirement contributions under Government Code 822.003 and is reemployed on or after September 1, 2005.

A district must remit the amount required under this section to TRS at the same time the district remits the member's contribution. In computing the amount required to be remitted, a district shall include compensation paid to an employee for the entire pay period that contains the 90th calendar day of new employment.

Gov't Code 825.4041

TRS Surcharge for Rehired Retirees

During each payroll period for which a retiree is reported, a district shall contribute to the retirement system for each retiree reported an amount based on the retiree's salary equal to the sum of:

TRS Fund Contributions

1. The current contribution amount that would be contributed by the retiree if the retiree were an active, contributing member; and

2. The current contribution amount authorized by the General Appropriations Act that the state would contribute for that retiree if the retiree were an active, contributing member.

Gov't Code 825.4092(b)

Health Insurance Contributions

In addition, each payroll period and for each rehired retiree who is enrolled in TRS Care (retiree group health insurance), a district shall contribute to the TRS Care trust fund an amount established by TRS. In determining the amount to be contributed by the district, TRS shall consider the amount a retiree is required to pay for the retiree and any enrolled dependents to participate in the group program and the full cost of the retiree's and enrolled dependents' participation in the group program. If more than one employer reports the retiree to TRS during a month, the amount of the required payment shall be prorated among employers.

Exception

A district is not required to contribute these amounts for a retiree who retired from the retirement system before September 1, 2005.

3. Through a flyer included, in writing or electronically, as a payroll stuffer; or
4. By first class mail to the employee's last known address.

A district may not satisfy this requirement solely by posting information in the workplace.

In addition, a district may provide employees with IRS publications and forms, or information prepared by the comptroller, relating to the earned income tax credit.

Labor Code 104.001–.003

Decreasing Pay

The Commissioner has held that a district may reduce educator compensation if it gives sufficient warning of a possible reduction in pay when educators can still unilaterally resign from their contracts. A sufficient warning must be both formal enough and specific enough to give educators a meaningful opportunity to decide whether to continue employment with a district. *Brajenovich v. Alief Indep. Sch. Dist., Tex. Comm'r of Educ. Decision No. 021-R1O-1106 (2009)*

Widespread Salary Reductions

The following provisions apply only to a widespread reduction in the amount of annual salaries paid to classroom teachers in a district based primarily on district financial conditions rather than on teacher performance.

For any school year in which a district has reduced the amount of the annual salaries paid to classroom teachers from the amount paid for the preceding school year, the district shall reduce the amount of the annual salary paid to each district administrator or other professional employee by a percent or fraction of a percent that is equal to the average percent or fraction of a percent by which teacher salaries have been reduced.

Education Code 21.4032

A board may not reduce salaries until the district has complied with the requirements at Education Code 21.4022 [see Salary Reduction/Furlough Process, below]. *Education Code 21.4022*

Furlough Program

In accordance with district policy [see DFFA], a board may implement a furlough program and reduce the number of days of service otherwise required under Education Code 21.401 [see DC] by not more than six days of service during a school year if the Commissioner certifies that the district will be provided with less state and local funding for that year than was provided to the district for the 2010–11 school year. *Education Code 21.4021(a)*

A board may not implement a furlough program until the district has complied with the requirements at Education Code 21.4022 [see Salary Reduction/Furlough Process, below]. *Education Code 21.4022*

Funding Levels

Not later than July 1 of each year, the Commissioner shall determine for each district whether the estimated amount of state and local funding per student in weighted average daily attendance to be provided to the district under the Foundation School Program for maintenance and operations for the following school year is less than the amount provided to the district for the 2010–11 school year. If the amount estimated to be provided is less, the Commissioner shall certify the percentage decrease in funding to be provided to the district. *Education Code 48.010*

Salaries

Notwithstanding Education Code 21.402 (minimum salary schedule), a board may reduce the salary of an employee who is furloughed in proportion to the number of days by which service is reduced. Any reduction in the amount of the annual salary must be equally distributed over the course of the employee's current contract with the district.

Furlough Days

A furlough program must subject all contract personnel to the same number of furlough days. An educator may not be furloughed on a day that is included in the number of days of instruction required under Education Code 25.081 [see EB]. Implementation of a furlough program may not result in an increase in the number of required teacher workdays. An educator may not use personal, sick, or any other paid leave while the educator is on a furlough.

Contract Resignation

If a board adopts a furlough program after the date by which a teacher must give notice of resignation from a probationary, term, or continuing contract [see DFE], an employee who subsequently resigns is not subject to sanctions imposed by SBEC.

No Appeal

A decision by a board to implement a furlough program is final and may not be appealed and does not create a cause of action or require collective bargaining.

Education Code 21.4021

Salary Reduction / Furlough Process

A board may not implement a furlough program under Education Code 21.4021 or reduce salaries until the district has complied with the requirements below.

Employee Involvement

A district must use a process to develop a furlough program or other salary reduction proposal, as applicable, that:

1. Includes the involvement of the district's professional staff; and
2. Provides district employees with the opportunity to express opinions regarding the furlough program or salary reduction proposal, as applicable, at the public meeting described below.

Public Meeting

A board must hold a public meeting at which the board and district administration present:

1. Information regarding the options considered for managing the district's available resources, including consideration of a tax rate increase and use of the district's available fund balance;
2. An explanation of how the district intends, through implementation of a furlough program or salary reductions, as applicable, to limit the number of district employees who will be discharged or whose contracts will not be renewed. Any explanation of a furlough program must state the specific number of furlough days proposed to be required; and
3. Information regarding the local option residence homestead exemption.

The public and district employees must be provided with an opportunity to comment at the public meeting.

Education Code 21.4022

The Superintendent shall recommend an annual compensation plan for all District employees. The compensation plan may include wage and salary structures, stipends, benefits, and incentives. [See also DEAA] The recommended plan shall support District goals for hiring and retaining highly qualified employees. The Board shall review and approve the compensation plan to be used by the District. The Board shall also determine the total compensation package for the Superintendent. [See BJ series]

Pay Administration

The Superintendent shall implement the compensation plan and establish procedures for plan administration consistent with the budget. The Superintendent or designee shall classify each job title within the compensation plan based on the qualifications, duties, and market value of the position.

Annualized Salary

The District shall pay all salaried employees over 12 months in equal monthly or bimonthly installments, regardless of the number of months employed during the school year. Salaried employees hired during the school year shall be paid in accordance with administrative regulations.

Pay Increases

The Superintendent shall recommend to the Board an amount for employee pay increases as part of the annual budget. The Superintendent or designee shall determine pay adjustments for individual employees, within the approved budget following established procedures.

Mid-Year Pay Increases

Contract Employees

A contract employee's pay may be increased after performance on the contract has begun only if authorized by the compensation plan of the District or there is a change in the employee's job assignment or duties during the term of the contract that warrants additional compensation. Any such changes in pay that do not conform with the compensation plan shall require Board approval. [See DEA(LEGAL) for provisions on pay increases and public hearing requirements]

Noncontract Employees

The Superintendent may grant a pay increase to a noncontract employee after duties have begun because of a change in the employee's job assignment or to address pay equity. The Superintendent shall report any such pay increases to the Board at the next regular meeting.

Pay During Closing

If the Board chooses to pay employees during an emergency closure for which the workdays are not scheduled to be made up at a later date, then that authorization shall be by resolution or other Board action and shall reflect the purpose served by the expenditure. [See EB for the authority to close schools]

Incentive Grants—Contract Provision

A district shall provide in employment contracts that qualifying employees may receive an incentive payment under an awards program established under Education Code Chapter 21, Subchapter O (Educator Excellence Award Program and Educator Excellence Innovation Program) if the district participates in the program. A district shall indicate that any incentive payment distributed is considered a payment for performance and not an entitlement as part of an employee's salary. *Education Code 21.415*

Educator Excellence Innovation Program

The Educator Excellence Innovation Program (EEIP) is a grant program under which a district may receive a competitive grant for the purposes of systematically transforming educator quality and effectiveness. The Texas Education Agency (TEA) will give priority to districts that receive Title I funding and have at a majority of district campuses a student enrollment that is at least 50 percent educationally disadvantaged.

Eligibility

A district is eligible to apply for EEIP grant funds if the district:

1. Completes and submits a Notice of Intent to Apply to TEA by the date established by the commissioner of education;
2. Complies with all assurances in the Notice of Intent to Apply and grant application;
3. Participates in the required technical assistance activities established by the commissioner, including establishing leadership teams, master teachers, mentor teachers, and instructional coaches and developing career pathways;
4. Agrees to participate for four years; and
5. Complies with any other activities set forth in the program requirements.

An eligible district must submit an application in a form prescribed by the commissioner. Each eligible applicant must meet all deadlines, requirements, and assurances specified in the application. The commissioner may waive any eligibility requirements as specified in 19 Administrative Code 102.1073.

Local Plan

An eligible district that intends to participate in the EEIP shall submit a local educator excellence innovation plan to TEA. A local educator excellence innovation plan must address the elements at 19 Administrative Code 102.1073(e)(2).

A district must act pursuant to its local board policy [see DEAA (LOCAL)] for submitting a local educator excellence innovation plan and grant application to TEA. A local decision to approve and

submit a plan and grant application may not be appealed to the commissioner.

A district may renew its local educator excellence innovation plan for three consecutive school years without resubmitting a full grant application to TEA. With TEA approval, a district may amend its local plan in accordance with 19 Administrative Code 102.1073(c) and (h) for each school year the district receives a program grant.

Use of Grant Funds

A district may use grant funds only to carry out purposes of the program as described at Education Code 21.7011, in accordance with the district's local plan, which may include the following specific methods or procedures:

1. Implementation and administration of a high-quality mentoring program for teachers in the first three years of classroom teaching using mentors who meet the qualifications prescribed by Education Code 21.458 [see Mentor Teachers, below];
2. Implementation of a teacher evaluation system using multiple measures that include:
    a. The results of classroom observation, which may include student comments;
    b. The degree of student educational growth and learning; and
    c. The results of teacher self-evaluation;
3. To the extent permitted under Education Code Chapter 25, Subchapter C, restructuring of the school day or school year to provide for embedded and collaborative learning communities for the purpose of professional development [see EC];
4. Establishment of an alternative teacher compensation or retention system; and
5. Implementation of incentives designed to reduce teacher turnover.

Waiver Request

A district may apply to the commissioner in writing for a waiver to exempt the district or one or more district campuses from one or more of the statutory sections listed at Education Code 21.7061(a).

The application for the waiver must demonstrate:

1. Why waiving the identified section of the Education Code is necessary to carry out the purposes of the program;

2. Approval for the waiver by a vote of a majority of the members of the board;

3. Approval for the waiver by a vote of a majority of the educators employed at each campus for which the waiver is sought; and

4. Evidence that the voting occurred during the school year and in a manner that ensured that all educators entitled to vote had a reasonable opportunity to participate in the voting.

Neither the board nor the superintendent may compel a waiver of rights under Education Code 21.7061.

Not later than April 1 of the year in which the waiver application is submitted, the commissioner shall notify the district in writing whether the application has been granted or denied. A waiver expires when the waiver is no longer necessary to carry out the purposes of the program, in accordance with the district's local educator excellence innovation plan.

Education Code Ch. 21, Subch. O; 19 TAC 102.1073

Local Optional Teacher Designation System

A district may designate a certified classroom teacher as a master, exemplary, or recognized teacher for a five-year period based on the results from single year or multiyear appraisals that comply with Education Code 21.351 or 21.352 [see DNA].

Standards

The commissioner shall establish performance and validity standards for each local optional teacher designation system that:

1. Must provide a mathematical possibility that all teachers eligible for a designation may earn the designation; and

2. May not require a district to use an assessment instrument adopted under Education Code 39.023 to evaluate teacher performance.

A classroom teacher that holds a National Board Certification issued by the National Board for Professional Teaching Standards may be designated as recognized.

Assistance

TEA shall develop and provide technical assistance for districts that request assistance in implementing a local optional teacher designation system, including assistance in prioritizing high needs campuses.

No Property Right

A teacher has no vested property right in a teacher designation assigned under a local optional teacher designation system. A teacher designation is void in the determination that the designation was issued improperly, and the Administrative Procedure Act

does not apply to the voiding of a local optional teacher designation.

Teacher Incentive Allotment

For each classroom teacher with a local optional teacher designation, a school district is entitled to an allotment, adjusted by high needs and rural factors, as determined under Education Code 48.112.

A district shall annually certify that:

1. Funds received were used as follows:

    a. At least 90 percent was used for the compensation of teachers employed at the campus at which the teacher for whom the district received the allotment is employed; and

    b. Any other funds were used for costs associated with implementing the local optional teacher designation system, including efforts to support teachers in obtaining designations; and

2. The district prioritized high needs campuses in the district in using funds.

Evaluations

TEA shall periodically conduct evaluations of the effectiveness of the local optional teacher designation systems and the teacher incentive allotment and report the results of the evaluations to the legislature. A school district that has implemented a local optional teacher designation system or received funds under the teacher incentive allotment shall participate in the evaluations.

Education Code 21.3521, 48.112

Mentor Teachers

A district may assign a mentor teacher to each classroom teacher who has less than two years of teaching experience in the subject or grade level to which the teacher is assigned. A teacher assigned as a mentor must:

1. To the extent practicable, teach in the same school;

2. To the extent practicable, teach the same subject or grade level, as applicable; and

3. Meet the qualifications prescribed by commissioner's rules.

Assignment of Mentor

To be assigned as a mentor, a teacher must agree to serve as a mentor teacher for at least one school year. The assignment must begin not later than the 30th day of employment of the classroom teacher to whom the mentor teacher is assigned. A district must agree to assign a mentor to a new classroom teacher for at least two school years.

Requirements for Mentor

The commissioner's rules must require that a mentor teacher:

1. Complete a research-based mentor and induction training program approved by the commissioner;
2. Complete a training program provided by the district;
3. Have at least three complete years of teaching experience with a superior record of assisting students, as a whole, in achieving improvement in student performance; and
4. Demonstrate interpersonal skills, instructional effectiveness, and leadership skills.

Training

A district must provide training to mentor teachers and any appropriate district and campus employees who work with the classroom teacher or supervise the classroom teacher. The training must be completed by the mentor teacher and the district and campus employees before the beginning of the school year. A district shall also provide supplemental training to mentor teachers and employees during the school year. The training must include content related to best mentorship practices.

Mentoring Sessions

A mentor teacher must meet with each classroom teacher assigned to the mentor not less than 12 hours each semester. Observations of the mentor by the classroom teacher being mentored or of the classroom teacher being mentored by the mentor may count toward the 12 hours of meeting time required for the semester.

Unless the district has created a mentoring curriculum as provided below, the mentoring sessions must address the following topics:

1. Orientation to the context, policies, and practices of the school district;
2. Data-driven instructional practices;
3. Specific instructional coaching cycles, including coaching regarding conferences between parents and the classroom teacher;
4. Professional development; and
5. Professional expectations.

Subject to approval by TEA, in determining the topics to be addressed in the mentoring sessions, a school district may create an appropriate curriculum that meets the district needs.

A district must:

1. Designate a specific time during the regularly contracted school day for meetings between mentor teachers and classroom teachers assigned to a mentor; and

2. Schedule release time or a reduced teaching load for mentor teachers and classroom teachers under this section to facilitate mentoring activities, including classroom observations or participation in supportive coaching.

Allotment

A school district that has implemented a mentoring program is entitled to an allotment to fund the mentoring program and provide stipends for mentor teachers under a formula adopted by the commissioner.

Funding may be used only for providing:

1. Mentor teacher stipends;

2. Scheduled release time for mentor teachers and the classroom teachers to whom they are assigned for meeting and engaging in mentoring activities; and

3. Mentoring support through providers of mentor training.

Education Code 21.458, 48.114; 19 TAC 153.1011

Achievement Academy Stipends

A stipend received by a teacher who attends a literacy achievement, mathematics achievement, or a reading-to-learn academy is not considered in determining whether a district is paying the teacher the minimum monthly salary under Education Code 21.402. *Education Code 21.4552(d), .4553(d), .4554(d)*

A stipend received by a school counselor or teacher who attends a postsecondary education and career counseling academy under Education Code 33.009 is not considered in determining whether a district is paying the school counselor or teacher the minimum monthly salary under Education Code 21.402. *Education Code 33.009(h)*

Autism Training

A district may provide a salary incentive or similar compensation to a teacher who completes training provided by a regional education service center (ESC) relating to autism. A school district that decides to provide an incentive or compensation shall adopt a policy to implement this section. *Education Code 21.465*

Retirement Incentives

A district may not offer or provide a financial or other incentive to an employee to encourage the employee to retire from the Teacher Retirement System of Texas. *Education Code 22.007*

Attendance Supplement

A district shall not deny an educator a salary bonus or similar compensation given in whole or in part on the basis of educator attendance because of the educator's absence from school for observance of a religious holy day observed by a religion whose places of worship are exempt from property taxation under Tax Code 11.20. *Education Code 21.406*

COMPENSATION PLAN
INCENTIVES AND STIPENDS

DEAA
(LOCAL)

Stipend

The Superintendent shall recommend a stipend pay schedule as part of the annual compensation plan of the District. [See DEA]

Supplemental Duties

The Superintendent or designee may assign noncontractual supplemental duties to personnel exempt under the Fair Labor Standards Act (FLSA), as needed. [See DK(LOCAL)] The employee shall be compensated for these assignments according to the compensation plan of the District.

Incentive and Innovation Programs

The Superintendent shall have authority to submit plans and grant applications for incentive and innovation programs to TEA or other granting organizations on behalf of the Board. Incentive plans shall address teacher eligibility, including any exclusions.

Locally developed incentive programs, if any, shall be addressed in the compensation plan of the District.

Fair Labor Standards Act

Unless an exemption applies, a district shall pay each of its employees not less than minimum wage for all hours worked. *29 U.S.C. 206(a)(1)*

Minimum Wage and Overtime

Unless an exemption applies, a district shall pay an employee not less than one and one-half times the employee's regular rate of pay for all hours worked in excess of 40 in any workweek. *29 U.S.C. 207(a)(1); 29 C.F.R. pt. 778*

Breaks for Nonexempt Employees

Rest periods of up to 20 minutes must be counted as hours worked. Coffee breaks or time for snacks are rest periods, not meal periods. *29 C.F.R. 785.18*

Bona fide meal periods of 30 minutes or more are not counted as hours worked if the employee is completely relieved from duty. The employee is not relieved from duty if the employee is required to perform any duties, whether active or inactive, while eating. For example, an office employee who is required to eat at his or her desk is working while eating. It is not necessary that an employee be permitted to leave the premises if the employee is otherwise completely freed from duties during the meal period. *29 C.F.R. 785.19*

Compensatory Time

Accrual

Nonexempt employees may receive, in lieu of overtime compensation, compensatory time off at a rate of not less than one and one-half hours for each hour of overtime work, pursuant to an agreement or understanding arrived at between the employer and employee before the performance of the work. Such agreement or understanding may be informal, such as when an employee works overtime knowing that the employer rewards overtime with compensatory time.

An employee may accrue not more than 240 hours of compensatory time. If the employee's overtime work included a public safety activity, an emergency response activity, or a seasonal activity, the employee may accrue not more than 480 hours of compensatory time. After the employee has reached these limits, the employee shall be paid overtime compensation for additional overtime work.

Payment for Accrued Time

Compensation paid to an employee for accrued compensatory time shall be paid at the regular rate earned by the employee at the time of payment. An employee who has accrued compensatory time off shall be paid for any unused compensatory time upon separation from employment at the rates set forth at 29 U.S.C. 207(o)(4).

Use

An employee who has requested the use of compensatory time shall be permitted to use such time within a reasonable period after making the request if the use of the compensatory time does not unduly disrupt the operations of the district.

The Fair Labor Standards Act (FLSA) does not prohibit a district from compelling the use of accrued compensatory time.

29 U.S.C. 207(o); Christensen v. Harris County, 529 U.S. 576 (2000); Houston Police Officers' Union v. City of Houston, 330 F.3d 298 (5th Cir. 2003)

Exempt Employees

The minimum wage and overtime provisions do not apply to any employee employed in a bona fide executive, administrative, or professional capacity. *29 U.S.C. 213(a)(1)*

Academic Administrators

The term "employee employed in a bona fide administrative capacity" includes an employee:

1. Compensated for services on a salary or fee basis at a rate of not less than $455 per week exclusive of board, lodging, or other facilities, or on a salary basis that is at least equal to the entrance salary for teachers in the district by which employed; and
2. Whose primary duty is performing administrative functions directly related to academic instruction or training in a district or department or subdivision thereof.

"Performing administrative functions directly related to academic instruction or training" means work related to the academic operations and functions in a school rather than to administration along the lines of general business operations. Such academic administrative functions include operations directly in the field of education. Jobs relating to areas outside the educational field are not within the definition of academic administration.

Employees engaged in academic administrative functions include:

1. The superintendent or other head of an elementary or secondary school system, and any assistants, responsible for administration of such matters as curriculum, quality and methods of instructing, measuring and testing the learning potential and achievement of students, establishing and maintaining academic and grading standards, and other aspects of the teaching program;
2. The principal and any vice principals responsible for the operation of an elementary or secondary school;
3. Academic counselors who perform work such as administering school testing programs, assisting students with academic problems and advising students concerning degree requirements; and
4. Other employees with similar responsibilities.

Jobs relating to building management and maintenance, jobs relating to the health of the students, and academic staff such as social workers, psychologists, lunchroom managers, or dietitians do not perform academic administrative functions, although such employees may qualify for another exemption.

29 C.F.R. 541.204

Salary Basis

To qualify as an exempt executive, administrative, or professional employee, the employee must be compensated on a salary basis, unless the employee is a teacher. Subject to the exceptions listed in the rule, an employee must receive the full salary for any week in which the employee performs any work, without regard to the number of days or hours worked. A district that makes improper deductions from salary shall lose the exemption if the facts demonstrate that the district did not intend to pay exempt employees on a salary basis. *29 C.F.R. 541.600, .602(a), .603*

Partial-Day Deductions

A district employee who otherwise meets the salary basis requirements shall not be disqualified from exemption on the basis that the employee is paid according to a pay system established by statute, ordinance, or regulation, or by a policy or practice established pursuant to principles of public accountability, under which the employee accrues personal leave and sick leave and which requires the employee's pay to be reduced or the employee to be placed on leave without pay for absences for personal reasons or because of illness or injury of less than one workday when accrued leave is not used by an employee because:

1. Permission for its use has not been sought or has been sought and denied;
2. Accrued leave has been exhausted; or
3. The employee chooses to use leave without pay.

Deductions from the pay of a district employee for absences due to a budget-required furlough shall not disqualify the employee from being paid on a salary basis except in the workweek in which the furlough occurs and for which the employee's pay is accordingly reduced.

29 C.F.R. 541.710

Safe Harbor Policy

If a district has a clearly communicated policy that prohibits improper pay deductions and includes a complaint mechanism, reimburses employees for any improper deductions, and makes a good faith commitment to comply in the future, the district will not lose

the exemption unless the district willfully violates the policy by continuing to make improper deductions after receiving employee complaints.

The best evidence of a clearly communicated policy is a written policy that was distributed to employees before the improper pay deductions by, for example, providing a copy of the policy to employees upon hire, publishing the policy in an employee handbook, or publishing the policy on a district's intranet.

29 C.F.R. 541.603(d)

Teachers

The term "employee employed in a bona fide professional capacity" includes any employee with a primary duty of teaching, tutoring, instructing, or lecturing in the activity of imparting knowledge and who is employed and engaged in this activity as a teacher in an elementary or secondary school system by which the employee is employed. The salary basis requirements do not apply to teaching professionals.

Exempt teachers include:

1. Regular academic teachers;
2. Teachers of kindergarten or nursery school pupils;
3. Teachers of gifted or disabled children;
4. Teachers of skilled and semi-skilled trades and occupations;
5. Teachers engaged in automobile driving instruction;
6. Home economics teachers; and
7. Vocal or instrumental music instructors.

Those faculty members who are engaged as teachers but also spend a considerable amount of their time in extracurricular activities such as coaching athletic teams or acting as moderators or advisors in such areas as drama, speech, debate, or journalism are engaged in teaching. Such activities are a recognized part of the schools' responsibility in contributing to the educational development of the student.

The possession of an elementary or secondary teacher's certificate provides a clear means of identifying the individuals contemplated as being within the scope of the exemption for teaching professionals. Teachers who possess a teaching certificate qualify for the exemption regardless of the terminology (e.g., permanent, conditional, standard, provisional, temporary, emergency, or unlimited) used by the state to refer to different kinds of certificates. However, a teacher who is not certified may be considered for

	exemption, provided that such individual is employed as a teacher by the employing school or school system. *29 C.F.R. 541.303*
Wage and Hour Records	A district shall maintain and preserve payroll or other records for nonexempt employees containing the information required by the regulations under the FLSA. *29 C.F.R. 516.2(a)*
Payday Law Exemption	The Texas Payday Law does not apply to the state or a political subdivision. *Labor Code 61.003*

Classification of Positions

The Superintendent or designee shall determine the classification of positions or employees as "exempt" or "nonexempt" for purposes of payment of overtime in compliance with the Fair Labor Standards Act (FLSA).

Exempt

The District shall pay employees who are exempt from the overtime pay requirements of the FLSA on a salary basis. The salaries of these employees are intended to cover all hours worked, and the District shall not make deductions that are prohibited under the FLSA.

An employee who believes deductions have been made from his or her salary in violation of this policy should bring the matter to the District's attention, through the District's complaint policy. [See DGBA] If improper deductions are confirmed, the District will reimburse the employee and take steps to ensure future compliance with the FLSA.

Nonexempt

Nonexempt employees may be compensated on an hourly basis or on a salary basis. Employees who are paid on an hourly basis shall be compensated for all hours worked. Employees who are paid on a salary basis are paid for up to and including a 40-hour workweek.

A nonexempt employee shall have the approval of his or her supervisor before working overtime. An employee who works overtime without prior approval is subject to discipline but shall be compensated in accordance with the FLSA.

Workweek Defined

For purposes of FLSA compliance, the workweek for District employees shall begin at 12:00 a.m. Saturday and end at 11:59 p.m. Friday.

Compensatory Time

At the District's option, nonexempt employees may receive compensatory time off, rather than overtime pay, for overtime work. The employee shall be informed in advance if overtime hours will accrue compensatory time rather than pay.

Accrual

Compensatory time earned by nonexempt employees may not accrue beyond a maximum of 60 hours. If an employee has a balance of more than 60 hours of compensatory time, the District shall require the employee to use the compensatory time, or at the District's option, the District shall pay the employee for the compensatory time.

Use

An employee shall use compensatory time within the duty year in which it is earned. If an employee has any unused compensatory time remaining at the end of a duty year, the District shall pay the employee for the compensatory time.

Compensatory time may be used at either the employee's or the District's option. An employee may use compensatory time in accordance with the District's leave policies and if such use does not unduly disrupt the operations of the District. [See DEC(LOCAL)] The District may require an employee to use compensatory time when in the best interest of the District.

Note: This policy addresses leaves in general. For provisions regarding the Family and Medical Leave Act (FMLA), including FML for an employee seeking leave because of a relative's military service, see DECA. For provisions addressing leave for an employee's military service, see DECB.

State Leave

State Personal Leave

A district shall provide employees with five days per year of state personal leave, with no limit on accumulation and no restrictions on transfer among districts. A district may provide additional personal leave beyond this minimum.

A board may adopt a policy governing an employee's use of state personal leave, except that the policy may not restrict the purposes for which the leave may be used.

Education Code 22.003(a)

State Sick Leave (Accumulated Prior to 1995)

District employees retain any sick leave accumulated as state minimum sick leave under former Section 13.904(a) of the Education Code. Accumulated state sick leave shall be used only for the following:

1. Illness of the employee.
2. Illness of a member of the employee's immediate family.
3. Family emergency.
4. Death in the employee's immediate family.
5. During military leave [see Use During Military Leave, below].

Acts of the 74th Legislative Session, Senate Bill 1, Sec. 66

Former Education Service Center Employees

A district shall accept the sick leave accrued by an employee who was formerly employed by a regional education service center (ESC), not to exceed five days per year for each year of employment. *Education Code 8.007*

Order of Use

A board's policy governing an employee's use of state personal leave may not restrict the order in which an employee may use state personal leave and any additional personal leave provided by the school district.

An employee who retains any state sick leave is entitled to use the state sick leave, state personal leave, or local personal leave in any order to the extent that the leave the employee uses is appropriate to the purpose of the leave.

Education Code 22.003(a), (f)

Use During Military Leave

An employee with available personal leave is entitled to use the leave for compensation during a term of active military service. "Personal leave" includes personal or sick leave available under former law or provided by local policy. *Education Code 22.003(d), (e)* [See DECB]

Temporary Disability

Each full-time educator shall be given a leave of absence for temporary disability at any time the educator's condition interferes with the performance of regular duties. The contract or employment of the educator may not be terminated while the educator is on a leave of absence for temporary disability. For purposes of temporary disability leave, pregnancy is considered a temporary disability.

At Employee's Request

A request for a leave of absence for temporary disability must be made to a superintendent. The request must:

1. Be accompanied by a physician's statement confirming inability to work;
2. State the date requested by the educator for the leave to begin; and
3. State the probable date of return as certified by the physician.

By Board Authority

A board may adopt a policy providing for placing an educator on leave of absence for temporary disability if, in the board's judgment in consultation with a physician who has performed a thorough medical examination of the educator, the educator's condition interferes with the performance of regular duties. The educator shall have the right to present to the board testimony or other information relevant to the educator's fitness to continue in the performance of regular duties. [See DBB]

Return to Active Duty

Notice

The educator shall notify the superintendent of a desire to return to active duty no later than the 30th day before the expected date of return. The notice must be accompanied by a physician's statement indicating the educator's physical fitness for the resumption of regular duties.

Placement

An educator returning to active duty after a leave of absence for temporary disability is entitled to an assignment at the school where the educator formerly taught, subject to the availability of an appropriate teaching position. In any event, the educator shall be placed on active duty no later than the beginning of the next school year. A principal at another campus voluntarily may approve the appointment of an employee who wishes to return from leave of absence. However, if no other principal approves the assignment by the beginning of the next school year, a district must place the

employee at the school at which the employee formerly taught or was assigned.

Length of Absence

A superintendent shall grant the length of leave of absence for temporary disability as required by the individual educator. A board may establish a maximum length for a leave of absence for temporary disability, but the maximum length may not be less than 180 calendar days.

Education Code 21.409; Atty. Gen. Op. DM-177 (1992); Atty. Gen. Op. H-352 (1974)

Sick Leave Different from Temporary Disability Leave

An employee's entitlement to sick leave is unaffected by any concurrent eligibility for a leave of absence for temporary disability. The two types of leave are different, and each must be granted by its own terms. *Atty. Gen. Op. H-352 (1974)*

Assault Leave

In addition to all other days of leave, a district employee who is physically assaulted during the performance of regular duties is entitled to the number of days of leave necessary to recuperate from physical injuries sustained as a result of the assault. The leave shall be paid as set forth below at Coordination with Workers' Compensation Benefits.

A district employee is physically assaulted if the person engaging in the conduct causing injury to the employee:

1. Could be prosecuted for assault; or
2. Could not be prosecuted for assault only because the person's age or mental capacity makes the person a nonresponsible person for purposes of criminal liability.

Notice of Rights

Any informational handbook a district provides to employees in an electronic or paper form or makes available by posting on the district's website must include notification of an employee's rights regarding assault leave, in the relevant section of the handbook. Any form used by a district through which an employee may request personal leave must include assault leave as an option.

Assignment to Assault Leave

At the request of an employee, a district must immediately assign the employee to assault leave. Days of assault leave may not be deducted from accrued personal leave. Assault leave may not extend more than two years beyond the date of the assault. Following an investigation of the claim, a district may change the assault leave status and charge the leave against the employee's accrued personal leave or against the employee's pay if insufficient accrued personal leave is available.

Coordination with Workers' Compensation Benefits

Notwithstanding any other law, assault leave benefits due to an employee shall be coordinated with temporary income benefits due from workers' compensation so the employee's total compensation from temporary income benefits and assault leave benefits will equal 100 percent of the employee's weekly rate of pay.

Education Code 22.003(b)–(c-1)

Religious Observances

A district shall reasonably accommodate an employee's request to be absent from duty in order to participate in religious observances and practices, so long as it does not cause undue hardship on the conduct of district business. Such absence shall be without pay unless applicable paid leave is available. *42 U.S.C. 2000e(j), 2000e-2(a); Ansonia Bd. of Educ. v. Philbrook, 479 U.S. 60, (1986); Pinsker v. Joint Dist. No. 28J of Adams and Arapahoe Counties, 735 F.2d 388 (10th Cir. 1984)*

Compliance with a Subpoena

An employer may not discharge, discipline, or penalize in any manner an employee because the employee complies with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding. *Labor Code 52.051(a)*

Note: A Texas federal court held that by omitting any reference to governmental entities from Labor Code 52.051, the state legislature intended to exclude governmental entities from the definition of "employer" contained within that section. Therefore, the statute did not waive a county's governmental immunity from liability for claims of retaliatory discharge of an employee for complying with a subpoena. *Alcala v. Texas Webb County*, 620 F. Supp. 2d 795 (S.D. Tex. 2009)

Jury Duty

An employee's accumulated personal leave may not be reduced because of the employee's service in compliance with a summons to appear as a juror [see DG]. *Education Code 22.006*

Attendance at Truancy Hearing

A district may not terminate the employment of a permanent employee because the employee is required under Family Code 65.062(b) to attend a truancy court hearing. *Family Code 65.063*

Developmental Leaves of Absence

A board may grant a developmental leave of absence for study, research, travel, or other suitable purpose to an employee working in a position requiring a permanent teaching certificate who has served in a district at least five consecutive school years.

A developmental leave of absence may be granted for one school year at one-half salary or for one-half of a school year at full salary paid to the employee in the same manner, on the same schedule,

and with the same deductions as if the employee were on full-time duty.

An employee on developmental leave shall continue to be a member of the Teacher Retirement System of Texas and shall be an employee of a district for purposes of participating in programs, holding memberships, and receiving benefits afforded by employment in a district.

Education Code 21.452

Leave for Sick Foster Child

An employer commits an unlawful employment practice under Labor Code, Chapter 21 if:

1. The employer administers a leave policy under which an employee is entitled to personal leave to care for or otherwise assist the employee's sick child; and
2. The leave policy does not treat in the same manner as an employee's biological or adopted minor child any foster child of the employee who:
    a. Resides in the same household as the employee; and
    b. Is under the conservatorship of the Texas Department of Family and Protective Services.

Labor Code 21.0595

Absence Control

Uniform enforcement of a reasonable absence-control rule is not retaliatory discharge. For example, a district that terminates an employee for violating a reasonable absence-control provision cannot be liable for retaliatory discharge as long as the rule is uniformly enforced. *Howell v. Standard Motor Prods., Inc., 2001 U.S. Dist LEXIS 12332 (N. D. Tex. 2001) (Family and Medical Leave Act case); Specialty Retailers v. DeMoranville, 933 S.W.2d 490 (Tex. 1996) (age discrimination case); Continental Coffee Products Co. v. Cazarez, 937 S.W.2d 444 (Tex. 1996) (workers' compensation claim); Gonzalez v. El Paso Natural Gas Co., 40 F.E.P. Cases (BNA) 353 (Tex. App.—El Paso 1986, no pet.) (sex discrimination case)*

[Some employees may have protected status even after the expiration of all other leave. See DAA.]

Definitions

Family

The term "immediate family" is defined as:

1. Spouse.
2. Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands *in loco parentis*.
3. Parent, stepparent, parent-in-law, or other individual who stands *in loco parentis* to the employee.
4. Sibling, stepsibling, and sibling-in-law.
5. Grandparent and grandchild.
6. Any person residing in the employee's household at the time of illness or death.

For purposes of the Family and Medical Leave Act (FMLA), the definitions of spouse, parent, son or daughter, and next of kin are found in DECA(LEGAL).

Family Emergency

The term "family emergency" shall be limited to disasters and life-threatening situations involving the employee or a member of the employee's immediate family.

Leave Day

A "leave day" for purposes of earning, use, or recording of leave shall mean the number of hours per day equivalent to the employee's usual assignment, whether full time or part time.

Catastrophic Illness or Injury

A catastrophic illness or injury is a severe condition or combination of conditions affecting the mental or physical health of the employee or a member of the employee's immediate family that requires the services of a licensed practitioner for a prolonged period of time and that forces the employee to exhaust all leave time earned by that employee and to lose compensation from the District. Such conditions typically require prolonged hospitalization or recovery or are expected to result in disability or death. Conditions relating to pregnancy or childbirth shall be considered catastrophic if they meet the requirements of this paragraph.

Availability

The District shall make state personal leave and local leave for the current year available for use at the beginning of the school year.

Earning Local Leave

An employee shall not earn any local leave when he or she is in unpaid status. An employee using full or proportionate paid leave shall be considered to be in paid status.

Deductions

Leave Without Pay

The District shall not approve paid leave for more leave days than have been accumulated in prior years plus leave currently available. Any unapproved absences or absences beyond accumulated

and available paid leave shall result in deductions from the employee's pay.

Leave Proration

Employed for Less Than Full Year

If an employee separates from employment with the District before his or her last duty day of the year, or begins employment after the first duty day, state personal leave and local leave shall be prorated based on the actual time employed.

If an employee separates from employment before the last duty day of the school year, the employee's final paycheck shall be reduced for:

1. State personal leave the employee used beyond his or her pro rata entitlement for the school year; and
2. Local leave the employee used but had not earned as of the date of separation.

Employed for Full Year

If an employee uses more local leave than he or she earned and remains employed with the District through his or her last duty day, the District shall deduct the cost of the excess leave days from the employee's pay in accordance with administrative regulations.

Recording

Leave shall be recorded as follows:

1. Leave shall be recorded in half-day increments for all employees.
2. If the employee is taking intermittent FMLA leave, leave shall be recorded in one-hour increments.

Order of Use

Earned compensatory time shall be used before any available paid state and local leave. [See DEAB]

Unless an employee requests a different order, available paid state and local leave shall be used in the following order, as applicable:

1. Local leave.
2. State sick leave accumulated before the 1995–96 school year.
3. State personal leave.

Use of extended sick leave or sick leave pool days shall be permitted only after all available state and local leave has been exhausted.

Concurrent Use of Leave

When an absent employee is eligible for FMLA leave, the District shall designate the absence as FMLA leave.

The District shall require the employee to use temporary disability leave and paid leave, including compensatory time, concurrently with FMLA leave.

An employee receiving workers' compensation income benefits may be eligible for paid or unpaid leave. An absence due to a work-related injury or illness shall be designated as FMLA leave, temporary disability leave, and/or assault leave, as applicable.

Medical Certification

An employee shall submit medical certification of the need for leave if:

1. The employee is absent more than five consecutive workdays because of personal illness or illness in the immediate family;
2. The District requires medical certification due to a questionable pattern of absences or when deemed necessary by the supervisor or Superintendent;
3. The employee requests FMLA leave for the employee's serious health condition or that of a spouse, parent, or child; or
4. The employee requests FMLA leave for military caregiver purposes.

In each case, medical certification shall be made by a health-care provider as defined by the FMLA. [See DECA(LEGAL)]

Note: For District contribution to employee insurance during leave, see CRD(LOCAL).

State Personal Leave

The Board requires employees to differentiate the manner in which state personal leave is used.

Nondiscretionary Use

Nondiscretionary use of leave shall be for the same reasons and in the same manner as state sick leave accumulated before May 30, 1995. [See DEC(LEGAL)]

Discretionary Use

Discretionary use of leave is at the individual employee's discretion, subject to limitations set out below.

Limitations

Request for Leave

The employee shall submit a written request for discretionary use of state personal leave to the immediate supervisor or designee in advance in accordance with administrative regulations. In deciding whether to approve or deny state personal leave, the supervisor or designee shall not seek or consider the reasons for which an employee requests to use leave. The supervisor or designee shall, however, consider the effect of the employee's absence on the educational program or District operations, as well as the availability of substitutes.

Duration of Leave

Discretionary use of state personal leave shall not exceed three consecutive workdays.

Local Leave

All employees shall earn five paid local leave days per school year in accordance with administrative regulations.

Local leave shall be noncumulative.

Local leave shall be used according to the terms and conditions of state sick leave accumulated before the 1995–96 school year, except that an employee may donate local leave to a sick leave pool; however, the average daily rate of pay of a substitute for a professional employee's position shall be deducted for each day of local leave taken, whether or not a substitute is employed. [See DEC(LEGAL)]

One-half of the average daily rate of pay of a substitute for a paraprofessional or clerical employee shall be deducted for each day of local leave taken.

The District shall not deduct pay for use of local leave days for food service or maintenance and custodial employees, or bus drivers.

Extended Sick Leave

After all available state and local leave days have been exhausted, an employee shall be granted in a school year a maximum of 30 leave days of extended sick leave to be used for the employee's catastrophic illness or injury, including pregnancy-related illness or injury, or for absences related to the catastrophic illness or injury of a member of the employee's immediate family.

Extended sick leave shall be available only once in a 12-month period.

A written request for extended sick leave must be accompanied by medical certification of the illness or injury.

The average daily rate of pay of a substitute for the employee's position shall be deducted for each day of extended sick leave taken, whether or not a substitute is employed.

Sick Leave Pool

An employee who has exhausted all paid leave and who suffers from a catastrophic illness or injury or is absent due to the catastrophic illness or injury of a member of the employee's immediate family may request the establishment of a sick leave pool, to which District employees may donate only local leave for use by the eligible employee.

If the employee is unable to submit the request, a member of the employee's family or the employee's supervisor may submit the request to establish a sick leave pool.

The pool shall cease to exist when the employee no longer needs leave for the purpose requested, uses the maximum number of days allowed under a pool, or exhausts all leave days donated to the sick leave pool.

The Superintendent or designee shall develop regulations for the implementation of the sick leave pool that address the following:

1. Procedures to request the establishment of a sick leave pool;
2. The maximum number of days an employee may donate to a sick leave pool;
3. The maximum number of days per school year an eligible employee may receive from a sick leave pool; and
4. The return of unused days to donors.

Appeal

All decisions regarding the establishment or implementation of the District's sick leave pool may be appealed in accordance with DGBA(LOCAL), beginning with the Superintendent or designee.

Family and Medical Leave

For purposes of an employee's entitlement to FMLA leave, the 12-month period shall be July 1 through June 30.

Twelve-Month Period

Combined Leave for Spouses

If both spouses are employed by the District, the District shall limit FMLA leave for the birth, adoption, or placement of a child, or to care for a parent with a serious health condition, to a combined total of 12 weeks. The District shall limit military caregiver leave to a combined total of 26 weeks. [See DECA(LEGAL)]

Intermittent or Reduced Schedule Leave

The District shall permit use of intermittent or reduced schedule FMLA leave for the care of a newborn child or for the adoption or placement of a child with the employee. [See DECA(LEGAL) for use of intermittent or reduced schedule leave due to a medical necessity.]

Certification of Leave

If an employee requests leave, the employee shall provide certification, as required by FMLA regulations, of the need for leave. [See DECA(LEGAL)]

Fitness-for-Duty Certification

If an employee takes FMLA leave due to the employee's own serious health condition, the employee shall provide, before resuming work, a fitness-for-duty certification. If the District will require certification of the employee's ability to perform essential job functions, the District shall provide a list of essential job functions to the employee with the FMLA designation notice.

End of Semester Leave

If a teacher takes leave near the end of the semester, the District may require the teacher to continue leave until the end of the semester. [See DECA(LEGAL), Leave at the End of a Semester]

Failure to Return

If, at the expiration of FMLA leave, the employee is able to return to work but chooses not to do so, the District may require reimbursement of premiums paid by the District during the leave. [See DECA(LEGAL), Recovery of Benefit Cost]

Temporary Disability Leave

Any full-time employee whose position requires educator certification by the State Board for Educator Certification or by the District shall be eligible for temporary disability leave. The maximum length of temporary disability leave shall be 180 calendar days. [See DBB(LOCAL) for temporary disability leave placement and DEC(LEGAL) for return to active duty.]

An employee's notification of need for extended absence due to the employee's own medical condition shall be forwarded to the Superintendent or designee as a request for temporary disability leave.

Workers' Compensation

Note: Workers' compensation is not a form of leave. The workers' compensation law does not require the continuation of the District's contribution to health insurance. [See CRD(LOCAL) regarding payment of insurance contribution during employee absences.]

An absence due to a work-related injury or illness shall be designated as FMLA leave, temporary disability leave, and/or assault leave, as applicable.

An employee eligible for workers' compensation income benefits, and not on assault leave, may elect in writing to use paid leave.

Court Appearances

Absences due to compliance with a valid subpoena or for jury duty shall be fully compensated by the District and shall not be deducted from the employee's pay or leave balance.

Absences for court appearances related to an employee's personal business shall be deducted from the employee's personal leave.
