Purpose of Program

The intent and purpose of ARP of 2021, ESSER III funding is to help safely reopen and sustain the safe operation of schools and address the impact of the coronavirus pandemic on students.

Ore City ISD Allocation Amount

Initial Allocation (two-thirds)	Remaining Allocation (one-third)	Total Allocation
\$1,472,500	\$736,250	\$2,208,750

Local education agencies (LEA) must expend a minimum of 20% of their grant funds for learning loss mitigation, including after school, summer school, extended day/year programs, targeted to students from low-income families, students of color, English language learners, children with disabilities, students experiencing homelessness, children in foster care, and migrant students. The minimum for Ore City ISD is \$441,750.

Ore City ISD Planning and Needs Assessment Process

Stakeholders include students, families, school and district administrators, teachers, school leaders, school staff, personnel representing the interests of children with disabilities, English language learners, children experiencing homelessness, children in foster care, migrant students, children who are incarcerated, and other underserved students.

Ore City ISD has and will continue to engage in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plan for the uses of ARP ESSER III funds to be utilized for safely opening and operating for in-person learning according to CDC guidance. The funds will address the academic impact of lost instructional time through the implementation of evidence-based interventions.

Ore City ISD ensures that the interventions to be implemented will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English language learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students
